Student Tech CONNECT FUND

Sponsored by:

THE MISSION

This fund provides critical technology resources to local students whose families are unable to afford the cost. It is crucial that, together, we do whatever we can to help ensure that all students can connect with their teachers and access essential learning resources during the COVID-19 crisis.

PAYMENTS ARE BEING MADE TO HARGRAY ON BEHALF OF STUDENTS

The Student Tech Connect Fund accepts donations and, in turn, pays Hargray for the internet bills of families who've been identified by school personnel as needing access.

PLEASE DONATE

There are two ways to donate:

- Visit the URL below to donate by credit card
- Send a check, made payable to "Community Foundation of the Lowcountry" with "Student Tech Connect Fund" in the memo line, to:
