

Let's tell your story.

Deltek is proud to have you as a customer. Deltek Project Nation customers are delivering successful projects that drive innovation, improve communities, and transform the world. We love to showcase customers and their stories of achievement based on the use of our products and services. We're eager to promote your success by amplifying your story.

How do you benefit from being a Deltek reference story?

Evangelize your industry leadership

- » Elevate your organization's professional profile and gain industry clout
- » Connect with industry peers and experts for further business prospecting

Recognize your team members

- » Highlight your employees' roles in supporting your company's mission and project goals
- » Bolster employee morale and retention

Elevate your company's brand reputation

- » Gain positive brand and industry exposure
- » Use the story to validate what you say to your customers and prospects

How does it work?

There are a number of ways we can work together, depending on the nature of your story and how you are comfortable sharing. As we assess the options, we will accommodate your company's specific protocols and preferences, as well as your schedule, and we won't publish any content without your review and approval. To get you thinking about how to tell your story, here are some possible opportunities to consider:

Speak to industry peer groups

- » Event speaker/panel member
- » Webinar
- » Reference phone call
- » Peer review, such as G2

Document in written or audio content

- » Client success story/case study
- » Blog article
- » PowerPoint presentation
- » Video

Speak with media and analysts

- » Press release
- » News media
- » Social media
- » Analyst report
